

4-DAY TREMISANA LODGE SAFARI

Our Tremisana Lodge Safari boasts one of the most impressive itineraries among all of our Kruger packages. While it may not offer the Sabi Sands experience, the itinerary is considered one of the best available and provides exceptional value for your money. Tremisana Game Lodge is located in Balule Private Nature Reserve which is a protected wildlife area that falls within the Greater Kruger National Park in northern South Africa. Balule is 23000 square kilometres of pristine bushveld that stretches along the length of the Olifants River. The reserve is unfenced and game roams freely between Balule and the Kruger National Park. Tremisana Game Lodge is less than an hour's drive from the Kruger Park.
