ITINERARY

1

08:00: Depart from Hazyview

- Get an early start on your trip so you can see as much as possible at each destination.

Lisbon Falls

- Lisbon Falls is distinguished as the region's highest waterfall. A double stream of it descends remarkably down a cliff that is 90-metres high.

Berlin Falls

- The Berlin Falls, which are 80 metres high and drop into a circular basin, are a peaceful location that provides wonderful opportunities for photography.

God's Window

- Incredible landscapes may be seen from this vantage point at God's Window, which gives a panoramic outlook. When the weather is clear, visitors can enjoy views that extend all the way to Kruger National Park and even further, to Mozambique.

The Pinnacle

- This spectacular quartzite column of a rock formation, known as The Pinnacle, is a stunning element of the environment since it soars above lush trees that are native to the area.

Lunch in Graskop

- An ideal stop halfway through your trip. Graskop, a village surrounded by lush forests, is home to a number of excellent restaurants that serve up delicious food, especially pancakes.

Bourke's Luck Potholes

- At the point where the Blyde and the Treur rivers meet is where the interesting cylindrical potholes of Bourke's Luck were sculpted out by swirling water. The resulting rock formations are works of art that also serve an educational purpose by providing insight into the region's underlying geology.

Blyde River Canyon and Three Rondavels

- The Blyde River Canyon is one of the largest canyons in the world, and it is notable for its abundance of verdant vegetation, which provides a striking contrast to the dark reds of the rock formations.

- The towering peaks of Three Rondavels have an appearance that is reminiscent of the rondavels that are commonly found in Africa. This viewpoint offers a magnificent panorama of the Blyde River Canyon and is sure to take your breath away.

16:00 – 17:00 Drop off in Hazyview.

Keep in mind that this is merely a suggestion for your schedule; the amount of time you spend at each destination may vary depending on factors such as the time of year, the amount of traffic, or your own particular interests.
