FULL DAY TOWNSHIP & ROBBEN ISLAND TOUR

CAPE TOWN

This full-day tour combines an authentic township experience with a guided tour of Robben Island. It provides visitors with a snapshot of the turbulent history of South Africa and takes a look at how far the country has come since the brutal apartheid rule.

Our township and Robben Island tour is highly educational and invaluable. It exposes the severe conditions that communities endured and showcases the strength and bravery of the people who fought for freedom and equality during one of the worst periods in South Africa's history.

Morning (Township tour)

Your tour guide takes you to the 5 largest townships in Cape Town which are located about 15 kilometers from the city center. At each, you're introduced to people in the local community, hear stories of their past and experience what life is like for them today. Guests are encouraged to interact rather than spectate to truly appreciate the rich social culture of the different communities.

Afternoon (Robben Island)

We make our way to the V&A Waterfront at the historic Cape Town harbour for a short lunch and refreshments. The Robben Island tour departs at 12h50 from the Robben Island Museum Gateway. A ferry takes you 9-kilometres across Table Bay to Robben Island where a former prisoner meets you and takes you on a fascinating tour of the maximum security prison and surrounding areas. We return to the V&A Waterfront where you can stay on for an evening of fun entertainment or go back to your accommodation.
