ITINERARY

1 You will start this exciting safari early in the morning when you depart from OR Tambo International Airport and travel through the Highveld and Lowveld of Mpumalanga to Masango Lodge. You will have time to refresh before the real adventure start with a game drive in the private game reserve. Enjoy sundowners in the bush, then return to the camp to gather around the boma fire for dinner and stories about the day's adventures.

2-4 You'll wake up early to be ready for a full-day safari into Kruger National Park. Your days may proceed in one of two ways: you can have an early departure for Kruger National Park while predators like lion, leopard, cheetah and hyena are still active and see the sunrise over the park, with a bush breakfast along the route and an earlier return, or you can first have breakfast at the lodge, departing and returning later. The exact departure times for every day will be communicated to you the night before as it will be decided according to animal activity at the time to give you the best opportunity for game viewing. Your full day safari will last 7 to 8 hours, so you should be back at the camp with enough time to relax before dinner by the fire. You can enjoy dinner with a complimentary glass of wine every night, where you can share your experiences with others and make new friends. ***On day 4, you have the option of enjoying another full day safari in Kruger National Park, or a full day tour of the Panorama Route.***

5 After breakfast, it is time for good-byes and your return to Johannesburg. You should arrive back at OR Tambo International Airport around 17:00 or 18:00.
