# ITINERARY

**1** Guests can arrive at Hoedspruit Eastgate Airport via Cape Town or Johannesburg. You will be met at Eastgate for transportation to and from Kapama Game Reserve. We arrange this transfer from Hoedspruit Eastgate Airport to Kapama Private Game Reserve in time to freshen up and eat before embarking on an afternoon game drive.

You will stop for a sundowner along the way and have the opportunity to stretch your legs while watching the sun set over the distant Drakensberg mountains. As nightfall approaches, the nocturnal animals of the bush emerge. During the trip back to the resort at night, a variety of distinct species might be observed. The adept tracker will sweep the landscape with a flashlight that highlights the eyes of animals.

Arrival at the lodge is often around 19:00, leaving ample time to refresh up before a delectable meal. Your accommodation is arranged and provided at Kapama Southern Camp.

**2-4** You'll get up between 5:00 and 05:30 a.m. for tea or coffee and rusks before heading out on morning game drives or perhaps a bush walk. Because of the reserve's colder temperatures, wildlife is typically more active in the morning, and the softer light makes for excellent photography.

After a scrumptious breakfast at the camp, you'll have time to relax by the pool and take advantage of the lodge's amenities.

After a sumptuous high tea, you will go on an afternoon wildlife drive that may last past twilight; the day will invariably conclude with a delicious dinner. Accommodation provided at Kapama Southern Camp.

**5** The final day of your safari will begin with an early morning wildlife drive and, hopefully, a few more unforgettable sightings.

After the drive, you will have another hearty breakfast at the camp before being transferred to the Eastgate airport for your return flight.
