ITINERARY

1 Your day begins with a pickup from your Hazyview accommodation or nearby lodge at a time that suits you. Meet your dedicated guide, who will discuss your interests and goals for the day, then set off toward the park. Enter Kruger National Park through the iconic Paul Kruger Gate, where you'll encounter a range of wildlife, from elephants and rhinos to buffalo and various antelope species. With a private safari, you can decide how much time to spend in each area, allowing you to fully savor the experience.

Your guide will lead you through some of Kruger's most productive wildlife areas, customizing the drive to give you the best chance of seeing the animals you're most interested in. As your group is private, you have the flexibility to pause for extended photo sessions, follow animal tracks, and immerse yourself in sightings at your own pace. Take a mid-morning break to enjoy complimentary water as you soak up the natural beauty of Kruger.

We'll stop at Skukuza Rest Camp, the largest and most well-equipped rest camp in Kruger, where you'll find a range of dining options at your own expense. Relax, explore, and enjoy the peaceful setting. With a private safari, you have the flexibility to linger here or continue as soon as you're ready.

After lunch, continue your journey, exploring new areas and tracking sightings based on your guide's expertise. The afternoon is a great time to encounter big cats and other iconic wildlife, and your guide will adapt the route to suit the day's conditions and your preferences. Choose the time that works best for you to end your safari. Whether you'd like to stay out longer or return to Hazyview a bit earlier, we'll tailor the return journey to fit your schedule.
