ACCOMMODATION

You will experience the most unforgettable safaris of your life at Motswiri Private Safari Lodge. The Lodge, nestled amongst leadwood trees, offers comfortable lodging for up to 16 visitors. The main lodge has its own waterhole, which large animals frequent. Guests may enjoy the lodge's exquisite cuisine, bar, and recreational spaces. During the colder months, visitors may curl up by the fireplace in their accommodation. Guests may stay in one of five magnificent Bush Villas throughout their visit. With central air conditioning, a gas fireplace, and ceiling fans, each villa is comfortable all year. The inside and outdoors merge at Bush Villas thanks to sliding doors and windows. Enjoy the convenience of the outdoor rock shower and the surrounding hardwood terrace.

ITINERARY

1 Your private vehicle will fetch you from your address in JHB or Pretoria and then travel through to Madikwe. When you approach Madikwe Game Reserve in the early afternoon, you will be met and given a tour of Motswiri Private Safari Lodge. A vantage point for watching the game is waiting for you in the hide. After swimming to cool down, visitors may enjoy savoury and sweet treats for afternoon tea. Grab your cameras for the local ranger-led night-time wildlife excursion. Madikwe is the home of the magnificent Big Five. Only Kruger National Park has more elephants. After seeing the spectacular splendour of an African sunset, visitors will get the opportunity to identify nocturnal species by observing animals under spotlights. Supper will be served in the lodge where you will be staying. This is a once-in-a-lifetime experience, especially when provided in a boma over a campfire. Visit the hide for wildlife watching or unwind in your comfortable lodgings.

2-3 The goal for the day is to wake up before dawn, have some tea or coffee, and eat a light breakfast before heading out on a game drive to watch the animals. The reserve's wildlife is often more active in the morning, when temperatures are cooler, and lighting is better for photography. After returning to the lodge for a full breakfast or lunch, you may spend your afternoon relaxing by the pool or taking use of the venue's other amenities. After yet another excellent meal, you'll go on a wildlife viewing drive that may last late into the evening. Your day will undoubtedly conclude with a great meal and some peaceful thought by the campfire as you think on everything you've encountered.

4 Even though this will be your final early morning game drive, which will start at the crack of dawn today, we hope that it will leave you with many pleasant memories. Following the tour, you will be transported back to your lodge for breakfast before continuing on to Johannesburg, where you will be dropped off at the location of your preference as you think on everything you've encountered.
