ACCOMMODATION

You will spend two nights in comfortable budget accommodations with shared bathrooms. You will spend the first night in Oudtshoorn at Uthando Backpackers and the second night at Sedgefield's PiliPili Beach House.

Uthando offers a natural home-away-from-home atmosphere, as well as free Wi-Fi, a pool, and accommodations in the form of single or double / twin rooms with shared bathrooms. You can reserve a private room at the backpackers for an additional fee, subject to availability.

It is famous for its braai meals, including ostrich kebabs and hearty breakfasts.

PiliPili provides backpackers with a comfortable stay on Sedgefield's quiet Myoli beach. Each room has access to the public wraparound terrace, which offers views of the sea.

ITINERARY

- 1 Start your day with pickup between 06:00 and 08:00 from Cape Town CBD or Stellenbosch and hit the road along Route 62, the world's longest wine route.

Enjoy some stunning views of mountains, valleys, vineyards and orchards, stop at a farm stall to taste local delicacies before reaching Oudtshoorn, the ostrich capital of the world and the gateway to the Cango Caves. Explore the underground wonders of the caves, a network of limestone chambers with incredible formations and ancient paintings. Choose between the Heritage Tour, a leisurely walk through the main chambers with great acoustics and insights from your guide, or the Adventure Tour, a more challenging route that involves crawling and squeezing through narrow passages. Spend the night in Oudtshoorn. You can either go to town for a restaurant meal or join an optional outdoor braai – subject to availability - where you can try local specialties like ostrich kebabs, 'boerewors' sausage, 'potbrood' (bread) and salad.

You will stay at Uthando Backpackers or similar accommodation, depending on availability.

- 2 You can start an early morning by joining an optional (own expense) Elephant Observation Nature Bush Walk to follow and observe three orphaned elephants, rescued from poachers, in a natural habitat. Later, you'll enjoy a relaxing canoe ride along the reed-lined riverbanks in Wilderness and observe the variety of birds in the area. The adventure reaches its peak at Bloukrans Bridge, the world's highest commercial bridge bungee jump where you might dare to plunge 216m down with nothing but an elastic cord (at own expense). If you're not up for the bungee jump, you can take a leisurely walk near the bridge in nature. Spend the evening in Sedgefield, where you can dine at local restaurants. You will overnight at the Pili Pili Backpackers or similar accommodation, depending on availability.

- 3 Experience a 4x4 safari in a malaria-free private game reserve, where you can see giraffe, white rhino, kudu, lion, elephant, zebra, wildebeest and more. An experienced game ranger will guide you on the safari and on a short ±5 min bush walk, where you can get closer to nature and learn about the wildlife, plants and tracks. Enjoy the scenic drive through the Garden Route as you return to Cape Town. You will arrive by late afternoon or early evening (between 17:00 and 21:00 depending on traffic and drop-off address).

** Due to the differing locations of accommodation options - travellers will be transferred to their respective lodgings at the end of each night, potentially resulting in the group being separated based on their booked stay package's accommodation.*
