ZAMBEZI RIVER CRUISES

ZIMBABWE

With some great river cruises from Victoria Falls, you can experience the Zambezi River in all its glory. Relax and enjoy the splendour of the river while looking for animals such as hippos, crocodiles, and elephants. Admire the fascinating variety of bird species that inhabit the area. You have the option of taking a breakfast, lunch, sunset, or supper cruise. You must get up early for the breakfast cruise and eat your breakfast while watching the sun rise over the river. Perhaps you can catch some nocturnal animals on the riverbanks when they return from their nights of hunting. There are few experiences more delightful than lunch and an afternoon spent on the Zambezi when the sun shines brightly in the blue sky and different colours of light bounce across the surface of the river. The vessels' opulent and roomy design welcomes a cool breeze to blow away the midday heat and allows guests to freely stroll around the boat, seeing the view from every perspective.
