ACCOMMODATION

The exclusive River lodge is found within Kapama Game Reserve and provides the ideal combination of luxurious accommodations and a generous bed capacity with its 64 guestrooms.

This contemporary private wildlife lodge is located in the Greater Kruger National Park region, and it features a spectacular background provided by the northern Drakensberg mountain range.

Every one of the roomy accommodations comes equipped with a complete private bathroom and offers unobstructed views of the Big Five game reserve, which is known for its abundance of animals.

A swimming pool, a lounge, a bar, a library, a curio shop, a versatile function space, and a boma are all included in the core guest entertainment areas.

The meals are served in the form of a buffet, and there is a wide selection of freshly prepared pan-African foods available.

ITINERARY

1 Guests can fly into Hoedspruit Eastgate Airport from either Cape Town or Johannesburg. We will also meet you at Eastgate for transportation to and from Kapama Game Reserve. You have plenty of time to freshen up and eat before embarking on an afternoon game drive inside the reserve with your ranger and tracker.

You will stop for a sundowner along the way and have the opportunity to stretch your legs while watching the sun set over the distant Drakensberg mountains. The nocturnal animals of the jungle emerge as dusk approaches. A variety of unique species may be noticed on the way back to the resort at night. The skilled tracker will sweep the landscape with a flashlight that illuminates animal eyes.

Arrival at the lodge is usually around 19:00, in time for a delicious dinner. Your accommodation is arranged and provided at Kapama River Camp.

2-3 Today you will rise between 5:00 and 05:30 for tea or coffee and rusks before setting off on a morning game drive. Because of the reserve's lower temperatures, wildlife is often more active in the morning, and the softer light allows for good photography.

After a filling breakfast at the lodge, you will have time to relax by the pool, read a good book, and take advantage of the rest of the lodge's services.

Following a magnificent high tea, you will embark on an afternoon wildlife drive that may last past nightfall; the day will invariably culminate with a delectable dinner and a discussion of the day's sightings. Accommodation provided at Kapama River Camp.

4 The final day of your safari will begin with an early morning wildlife drive and, hopefully, some unforgettable sightings.

After the drive, you will have breakfast at your resort before being transferred to the Eastgate airport for your return flight.
