# ACCOMMODATION

The lodge itself is designed to exist in harmony with nature with ultra-luxurious suites, including the Amber Presidential Suite, that break with traditional bush lodge style to offer a masterpiece of artistry and innovation. Each suite features individually designed furniture, a private plunge pool, en-suite glass fronted bathroom and indoor and outdoor showers. The natural wooden sculptures by renowned South African artist Geoffrey Armstrong add a powerful magic.

Dining in the outdoor boma with walls sculpted from tree roots, is a magical affair and the dining area in the main lounge looks out over a waterhole. Other facilities include a library, art gallery, meditation garden, underground wine cellar, gymnasium and the Amani Spa where you can indulge in holistic body, skin and beauty rituals, treatments and massages.

# ITINERARY

1

Your adventure begins when you arrive at the lodge. Your transport from Johannesburg to the lodge can be arranged (shuttle, private transfer and flights) at an additional cost. Arrive at the lodge in time to settle into your luxurious accommodation and freshen up before the afternoon game drive. As the sun sets over the African bushveld, your expert guide will lead you on a search for the Big Five (lion, leopard, rhino, elephant, and bison) and a variety of other iconic African animals. Dine alfresco, encircled by the sounds of the African night, on a delectable meal.

2-4

Wake up early for a hot beverage and rusks before departing on sunrise game drives. Experience the magic of the African bush as it comes to life, and keep your eyes peeled for wildlife that is most active in the early morning hours. Return to the lodge for relaxed brunches, and then choose how you want to spend the rest of the day. Relax by the pool, read a book in the lounge area, or indulge in a massage at the spa. In the afternoons, embark on another thrilling game drive with your expert guide. Return to the lodge in time for another starlit dinner under the African skies.

5

Take one last early morning game drive around the reserve. Before returning to the resort for breakfast, enjoy one final African dawn and keep your eyes out for additional animals. After breakfast, it's time to say goodbye to the lodge and head back to Johannesburg.
